ENCORE WIRE PRESENTING AT D.A. DAVIDSON CONFERENCE

MCKINNEY, TX - Encore Wire Corporation (NASDAQ Global Select: WIRE) announced today that the Company's Vice President & Chief Financial Officer, Mr. Frank J. Bilban, will be presenting at the 13th Annual D.A. Davidson Engineering & Construction Conference in San Francisco, California on Tuesday, September 9, 2014 at 11:45 a.m. Pacific Time.

Daniel L. Jones, President and Chief Executive Officer of Encore Wire Corporation, said, "We are pleased to be presenting at the D.A. Davidson Engineering and Construction Conference at the Omni Hotel in San Francisco. The D.A. Davidson conferences draw many institutional investors from across the country. We look forward to meeting with numerous investors at this conference."

The presentation will be available via webcast for those who are unable to attend in person. The webcast link is <http://wsw.com/webcast/dadco28/wire>.

Encore Wire Corporation is a leading manufacturer of a broad range of electrical building wire for interior wiring in commercial and industrial buildings, homes, apartments, and manufactured housing. The Company is focused on maintaining a high level of customer service with low-cost production and the addition of new products that complement its current product line. The matters discussed in this news release, other than the historical financial information, including statements about the copper pricing environment, profitability and stockholder value, may include forward-looking statements that involve risks and uncertainties, including payment of future dividends, future purchases of stock, fluctuations in the price of copper and other raw materials, the impact of competitive pricing and other risks detailed from time to time in the Company's reports filed with the Securities and Exchange Commission. Actual results may vary materially from those anticipated.
